Season 2

Al Shifa College of Arts and Science is a very young Higher Education institution established in 2020 and affiliated to the University of Calicut, Kerala. Built and operating on core values of excellence and empowerment, the College has made its early yet significant marks within a year of its establishment. Whether it be the perspectives we promote or the platforms we produce or the productive networking we make possible, the College has made it amply clear that it belongs to a different league.

One of the founding Departments of the College, Dept of Commerce has as its goal contributing to the Nation, a band of youth who will be informed in their subject, exposed to the multiple fields within Commerce and Management and capable of relating themselves to varied perspectives and knowledge around. The Department offers two Undergraduate programmes since 2020: Bachelor of Commerce with Taxation and Finance as specializations. Under the Department, the students are rigorously coached simultaneously to excel attitude and aptitude wise. While focusing strongly on the academics, the students are motivated to involve in co-curricular and extension activities and made aware of the institutions of renown in their fields and people of repute too. Student presentations and projects are genuinely supported by the Dept. leading to bringing out earnest involvement among the learners in what they explore. The faculty members work on improving their confidence levels and levels of self-awareness.

The quality of the Degree programme the institution delivers is strengthened by the additional certificate and diploma programmes listed for the interested takers, often run in collaboration with institutions of repute and excellence. All these are conceived by taking into account the career prospects emerging in the subject and the skills and accessory qualifications required for the Degree holders to be qualified for the careers to come.

ComFiesta is an annual management fest organized by the Department of Commerce, Al Shifa college of Arts and Science. The event is intended for showcasing the talents of students. The fest aims to identify the budding talents and skills of the youngsters in the higher secondary streams, so that they are/their schools are capable of scaffolding them. **ComFiesta** is a bouquet of events connected to Marketing, Finance on the one side and on the other, it also lists Fun games to bring out the best from the participants under controlled and simulated environments. **ComFiesta** is conceptualized, planned and executed completely by students and is an ideal balance of responsibility, accountability, celebration and fun. **ComFiesta** welcomes the participation from schools across Kerala as the participants get the unique opportunity to foster their sportsman spirit and showcase their skills and win cash prizes worth 20K!
